Jon and Bonnie Esau serve with MB Mission in Thailand.

They write, "This new year brings with it, much anticipation for our family. We're anticipating the arrival of Baby Esau #3 (sometime in the next few weeks!); we're anticipating a season of team-building with the Ramos family over the next few months; we're anticipating God clearly showing us where He would have us serve in this next season of church-planting; and we're anticipating opportunities to invest in the lives of our Thai brothers and sisters and see all that God will do this year! A lot to look forward to!

To support the Esau's work, give to:

We covet your prayers and ask that this list of things we're "anticipating" would be a framework for how you could pray for our family this year. Please send us an email if there are things we can be praying about for YOU too!"

THAILAND MISSION TRIP
July 13-23, 2015

God is working around the world, and at Westwood we partner with local missionaries on the ground in many countries. This year we are taking a trip to Thailand to support and encourage the work God is doing there.

Grow 

We want to grow Westwood church in God's life transforming work in Thailand, in risk-taking obedience, and in a closer walk with Jesus through service. We want to grow Thai people in a life changing relationship with Jesus and in surrendering their lives to Jesus.

Who is it for? Folks 16 years and older

What does this look like once we get there?

- Teaching children and youth in bible clubs
- Sharing our faith in street evangelism
- Helping start something in the area of recovery

If any of these areas resonate with you or if you are already working in one, you might want to consider this trip.

Application Deadline: February 15, 2015

If this is something that you think God may be calling you to join the pick up the application package at the kiosk or download a copy from the church website.

Contact Pastor Ryan for more through the church office or at ryan@westwoodchurch.bc.ca.

Together at Westwood Church, our vision is to Bring Jesus into Life by becoming an increasingly healthy, vibrant and effective witness for Jesus in Prince George and around the world.
