

A landscape photograph featuring a dirt path with a dashed white line down the center, leading through a field of tall, golden-brown grass. The path recedes into the distance towards a line of trees and rolling hills. The sky is filled with large, dramatic, white and grey clouds, with a bright sun on the left side, partially obscured by the clouds, creating a strong light source. The overall mood is contemplative and serene.

Deuteronomy 34:10-12

There has not arisen again a prophet in Israel like Moses:

Whom the Lord knew face to face
in all the signs and wonders

Whom the Lord sent
to the land of Egypt (to Pharaoh and all his servants and his land)
in all the mighty power, and
in all the great terror

Who accomplished it
in the sight of all Israel.
