Romans 6:1-14  
For Individuals and Life Groups  
April 16, 2017

**Introduction:**

A big word with a simple meaning. Resurrection is the idea that a living being is brought back to life after having died. In the Christian tradition we believe that only one person has been raised from the dead and is still living today. That person is Jesus. There is a bigger story at work in history, and Jesus is the central person in that story. Jesus invites us to share in the life that he has. A resurrected life.
