Acts 1:1-11

For Individuals and Life Groups

May 21, 2017

Introduction:

A big word with a simple meaning. Resurrection is the idea that a living being is brought back to life after having died. In the Christian tradition we believe that only one person has been raised from the dead and is still living today. That person is Jesus. There is a bigger story at work in history, and Jesus is the central person in that story. Jesus invites us to share in the life that he has. A resurrected life.

Into the scriptures

Read: Acts 1:1-11

What do you notice about the passage itself? (Structure, repeated words or ideas, unique words, main points...)

What is the power that is talked about in this passage? What evidence is there that Jesus depended on this power?

Describe the relationship of Jesus with his disciples?

In your own words describe what they would be witnesses of.

Into my life

Have you ever felt powerless talking about Jesus with people? What happened in those situations? What held you back? What gave you courage?

Sometimes we don't share our faith because we are afraid of the outcome. If God is the one who changes lives is that burden lifted? How? What kind of freedom could that give you in sharing the hope you have in Jesus?

Is there some place that you think God is calling you to be his witness? Work? School? Home? (Pray for each other in this)

Other Application Questions:

Is there something to worship or thank God for?

Is there a promise to claim or a truth to believe?

Is there something I am convicted about that I need to work on?

Is there something or someone I need to pray for this week? (Be specific)

Is there any relationship I need to work on?

Into the world

We all have friends who need Jesus. Name a friend our friends and pray for them as a group.
